

BUYING YOUR CAREER JOURNEY

What's in it for you...

- Master technical skills, and watch those behaviour skills bloom with twelve dedicated workshops.
- Know your nylon from your neoprene, with fabric courses from industry experts.
- Garment costing 101 – we'll show you the ins and outs to maximise profitability.
- Be you, at your very best, with storytelling and influence training tailored to your style.
- And last, but definitely not least, expect on-the-job training from brilliant people that know life in your shoes.

YOUR CAREER PATH
