YOUR CAREER JOURNEY

LEARNING AND DEVELOPMENT

What's in it for you...

- Through 'Exceed' – the name for our Finance graduate programme – you can take courses such as presentation skills, so you keep on improving.
- You'll be sponsored to complete your accounting qualification – usually ACCA or CIMA.
- And you'll be mentored all the way: by a Buddy (senior colleague) then by a Finance Manager in your third year, helping you to transition into Manager roles.
